II. Announcements and Discussion:

Minutes from 2/6/17 meeting were approved.

Announcement that Computational Thinking and Game Design advertisements were sent out.

Discussion again about possibly combining an MS/BS program. No Progress.

Announcement that David Amwake and Eitan Lees went to the Career Fair in Tampa and Miami and are getting 250 emails.

Gordon announced our new Undergraduate Scholarship for \$2,500 (one time) and went over criteria.

Announcement that 2 Graduate students have accepted so far, 7 offers for TA's were made, 5 offers non-support and 1 with fellowship.

Gordon announced we will have a part in the summer orientation.

Hackathon on February 17 went well. Received 250 emails to use.

Ming Ye said there might be a pizza party in March for the Undergrads.

Announcement that Michael McDonald is in charge of SC's logo design

Gordon announced the Communication Department was making a short promotional video of our department. If we like we will have them to do more.

Discussion concerning incorporating GFDI into our department. Majority in favor of a meeting and going to the next step.

VI. Meeting Adjourned.
